Press Release

for immediate release

Portion of Preston Road Close due to Natural Gas Leak

December 16, 2016 (Highland Park, Texas) – Preston Road, between Armstrong Parkway and Arcady Avenue, is currently closed. At 3:38 p.m., we were notified of a natural gas leak in the area of Preston Road and Bordeaux Avenue. Atmos Energy is on scene and searching for the precise location of the leak. It appears a contractor in the area struck a gas line while performing other work.

The detectable amount of natural gas is low, and no evacuations have been made at this time. HPDPS Fire and EMS are remaining on scene while Atmos Energy completes their inspections.
