17-200 JURISDICTION

When in its judgement, the public convenience and welfare will be substantially served and the appropriate use of the neighboring property will not be substantially or permanently injured, the Board of Adjustment may, in specific cases, after public notice and public hearing, and subject to appropriate conditions and safeguards authorize the following special exceptions to the regulations herein established.

- c. Require the discontinuance of nonconforming uses of land or structure under any plan whereby the full value of the structure and facilities can be amortized within a definite period of time, taking into consideration the general character of the neighborhood and the necessity of all property to conform to the regulations of this Ordinance.
