**Town of Highland Park to Host Community Workshop**

**Highland Park, Texas**-The Town of Highland Park is working with NBBJ, an urban design firm, and Nelson\Nygaard, a transportation firm, to enhance the way our residents, businesses, and community connect with each other. This is a mobility study focused on protecting the great qualities of Highland Park and reducing traffic and parking burdens in town, while preserving our important place within the greater Dallas area. The Town, NBBJ, and Nelson\Nygaard will be holding a workshop for individuals to learn more about this project, contribute thoughts, and help craft plans to improve Highland Park for all. Two dates for the workshops:

- Monday, December 9, 2013, from 4 p.m. to 7 p.m.
- Tuesday, December 10, 2013, from 8 a.m. to 10 a.m.

The workshops will be held in the Town Council Chamber, 4300 MacArthur Avenue, Suite 160. Please come, bring your family and friends, and get the word out. We cannot plan for future transportation needs without you.
